Specification

- Capacity: 16 GB
- Form factor: miniPCle full size
- Interface: mSATA
- Operating temperature: -40° to +85°C
- Power consumption: 200 mA
- Input voltage: 3.3 V
- Read: up to 131 MB/s; write: up to 102 MB/s
- Vibration: 20 G (7~2000 Hz)
- Shock: 1500 G / 0.5 ms
- Supports S.M.A.R.T; ATA Security
- Dimension: 30 x 50.95 x 3.4 mm (W x L x H)

System requirement

- A free miniPCle port with mSATA interface

Package content

- miniPCle memory

Package

- ESD bag
