

Slot bracket internal SATA > SATA 22 pin

Description

The SATA slot bracket by Delock for mounting into a standard PCI slot enables you to lead out the internal SATA port in order to connect SATA devices externally by using a cable (e.g. item 84406). You can use also our Card Readers like items 91661, 91673 or hard drives for service purposes.

Ref. 65047
EAN 4043619650477
