

Delock Magnetic Clips for Cable 3 pieces black

Description

These magnet clips by Delock offer an excellent possibility to sort exposed cables in a clear and orderly manner.

Easy to use due to magnet design

The set contains two parts, the magnetic clips and the magnetic strip. The magnetic strip has an adhesive pad on the bottom and can therefore be easily attached to any smooth surface, such as a desk or wall. The strong magnetic closure on the clip enables a more effective, secure and firm grip of the cables.

Multifunctional application

The magnetic clips can be used e.g. in the car, in the office or at home.

Item no. 18333

EAN: 4043619183333
