

Delock Smartphone Stand Holder adjustable for MagSafe aluminium

Description

This smartphone stand by Delock not only impresses with its design, but also with its stability and function. Thanks to the adjustable angle, the smartphone can be placed in any position and remains stable. The rubber pads attached to the bottom side and in the holder ensure that neither the smartphone nor the holder slips.

MagSafe

The holder offers the right device for charging via MagSafe as well as for standard charging cables. Depending on the direction in which the holder is brought, the respective charging function and holder can be used.

Ideal even for longer video calls

Thanks to the recess in the holder, the smartphone can also be charged while it is upright. This makes the holder ideal for long Facetime or Skype video calls.

Space-saving

As the holder is completely collapsible, it fits perfectly in your pocket, backpack or suitcase and is ideal for travelling.
