

Delock Smartwatch Holder adjustable silver

Description

This smartwatch holder by Delock not only impresses with its design, but also with its stability and function. Thanks to the adjustable angle, the holder can be placed in any position and remains stable. The rubber pads attached to the underside and the holder ensure that neither the smartwatch nor the holder slips. In addition, the rubberised underside of the holder ensures that no scratches occur on the surface of the smartwatch.

Magnetic charging cable device

The holder has a cable guide on the back, which allows the charging cable to sit optimally. The smartwatch can simply be put on and charged.

Note
