

Delock DisplayPort Switch 2 to 1 bidirectional 8K

Description

This DisplayPort switch by Delock is a **manual bidirectional switch** for connecting different devices with **DisplayPort** port. This switch offers two different applications.

Function 1

Up to 2 devices can be connected to a monitor, TV or projector. At the push of a button, the device that is displayed on the screen can be selected.

Function 2

A DisplayPort device can be connected to up to 2 screens. The screen on which the signal is displayed can be selected at the touch of a button. Simultaneous output to multiple screens is not possible.

Note

The switch can be powered via the DisplayPort connector. If a device does not support DisplayPort power, the switch can be powered via the USB-CTM connector.

Specification

- Connectors: Function 1 Input: 2 x DisplayPort female Output: 1 x DisplayPort male Function 2 Input: 1 x DisplayPort male Output: 2 x DisplayPort female
 1 x USB Type-CTM female (optional for power supply)
 1 x button with LED indicator for 1 or 2
- DisplayPort 1.4 specification

8K 30Hz

Item no. 18906

EAN: 4043619189069 Country of origin: China Package: Retail Box

DATASHEET

- Supports HDR
- Resolution up to: 7680 x 4320 @ 30 Hz 3840 x 2160 @ 144 Hz (depending on the system and the connected hardware)
- Plastic housing
- Colour: black
- Dimensions (LxWxH): ca. 55 x 55 x 15 mm
- Cable length without connectors: ca. 50 cm

System requirements

- A free DisplayPort female port
- DisplayPort cable

Package content

- Switch bidirectional
- User manual
