

Delock Hook-and-loop pad self-adhesive L 100 mm x W 50 mm set 10 pcs black

Description

These hook-and-loop pads by Delock can be used as a quick fastener for various applications, e.g., for furniture, components, advertising materials or for various craft projects.

Simple application

The adhesive hook pad and the loop pad have an adhesive coating on the back side and covered with a special paper. The paper can be removed, and the hook-and-loop pad can be applied to a dry, smooth, and clean surface and pressed on firmly. The length can also be shortened individually.
