

Delock Cable Duct Mini self-closing self-adhesive 10 x 10 mm - length 1 m white

Description

This cable duct by Delock can be used to bundle and conceal exposed cables with a small diameter, to protect them from dirt or damage.

Toolless assembly

The cable duct is provided with an adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor, wall, window frame or baseboard. The adhesive tape also ensures a firm and secure hold.

Self-closing

The cable duct closes automatically after adding the cables.

Reusable

The cables can be added or removed multiple times.
