

# Delock Cloth Tape 25 m x 25 mm tearable selfadhesive black

### **Description**

This cloth tape by Delock can be used for insulating electrical cables and wrapping cable harnesses, e.g. in the automotive sector.

#### High flexibility and tearable

The tape is made of flexible fiber material and can be easily torn off by hand, ideally for small and quick repairs. The protective fabric material also offers optimal temperature and corrosion resistance.

#### Cuttable

The length of the tape can also be optionally shortened individually with scissors.

### Item no. 20911

EAN: 4043619209118 Country of origin: China Package: Zip poly bag

#### **Specification**
