

Delock 3.5 External Enclosure SATA 6 Gb/s / IDE HDD > USB 3.0 screwless

Description

This Delock aluminium enclosure enables you to install a 3.5 IDE or 3.5 SATA HDD. There are no screws or tools required, since you can install the HDD by using the two plastic clips and the sliding switch. The internal fan provides enough cooling for the HDD.

The enclosure supports the SATA 3 Gb/s and SATA 6 Gb/s specification, which enable a high data transfer rate, if the enclosure is connected to a USB 3.0 port.

Item no. 42505

EAN: 4043619425051

Country of origin: China

Package: Retail Box

Specification

- Connector:
 - 1 x USB 3.0 type B downstream port
 - 1 x DC 12 V power connector
