# Delock Standoff M5 x M4, hexagon, inside / outside, 50 mm natural 4 pcs

Description

These standoff spacers by Delock can be used for secure mounting of PCBs to create a fixed distance between a printed circuit board and other components. By separating the PCBs from other components, the spacers allow a better ventilation and offer an optimal resistance to high temperatures, e.g. inside of a PC case.

Item no. 60241

EAN: 4043619602414

Country of origin: Taiwan, Republic of China
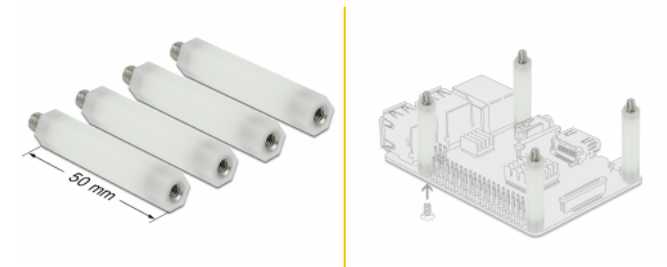

Package: Zip poly bag

Specification

- Length: ca. 50 mm
- Thread size: M5 x M4
- Thread type: inside / outside
- Thread length:
  inside: 5.5 mm
  outside: 6 mm
- Spanner width: 9 mm
- Shape: hexagon
- Fire-resistance rating: 94V-2
- Material: plastic
- Colour: natural

Package content

- 4 x standoff
