

Delock Cable Gland PG21 for flat cable with two cable entries grey 2 pieces

Description

This cable gland by Delock allows a watertight seal to the housing and is ideal for feeding through two flat cables or electrical tubes.

IP68 dust and waterproof

The integrated seal also offers increased protection against dirt and moisture.

Multifunctional application

Due to the robust design, cable glands are often used in automation and machine systems.

Item no. 60392

EAN: 4043619603923 Country of origin: China Package: Poly bag

Specification
