Country of origin: China

Package: Zip poly bag

Ø 21,2 mm / 2 m

# Delock Cable protection sleeve 2 m x 21.2 mm with 2 x PG16 conduit fitting set black

#### Description

This set by Delock consists of a cable protection sleeve and a conduit fitting. The gland can be simply attached to the corrugated protective sleeve and provides a waterproof seal to the enclosure for passing cables and electrical wires.

#### IP67 dust and waterproof

The gland, in combination with the protective sleeve, provides increased protection against dirt and moisture.

#### **Excellent flexibility and resistance**

The protective conduit is characterised by its high abrasion, temperature and chemicals resistance. In addition, the conduit has a high degree of flexibility to protect cables from excessive bending.

#### Multifunctional application

Due to the robust design, conduit fittings are often used in installations, automation and machine systems.

## **Specification**

- Length: ca. 2 m
- Diameter: ca. 21.2 mm
- Reusable
- Flexible
- Thread size of conduit fitting: PG16
- Screw mounting with 17 mm bore hole
- Protection class: IP67
- Operating temperature: -30 °C ~ 80 °C
- Material: plastic
- Colour: black
