Delock Front Panel 2 x USB 3.0 incl. PCI Express Card

Descriere scurta

This USB 3.0 front panel by Delock can be installed into a free 3.5″ or 5.25″ bay of yours computer and will be connected internally by using the included PCI Express card. It expands your system by two USB 3.0 ports on the front side. Thus you can connect different USB devices like e.g. docking station, card reader, external enclosure.
