

# Delock Adapter DisplayPort 1.2 male to DVI female 4K Active black

## Description

This adapter by Delock enables the connection of an **DVI monitor** to the system via a free DisplayPort interface. The adapter supports a resolution up to **4K Ultra HD at 30 Hz** and is backward compatible to Full-HD 1080p. The adapter offers an active conversion, thus it is also suitable for graphics cards that are not capable of outputting DP++ signals.

## Specification
