

Delock Touch Pen + Ball Point Pen 2 in 1

Description

This high-quality 2 in1 aluminium Touch Pen by Delock, with integrated ball point pen, is an useful accessory for your tablet or smartphone and can be used for complete appliance on the touchscreen. The Touch Pen convinces with its easy sliding on the display and protects the display against scratches and fingerprints, through the fine rubber tip. With the ball point pen you can still write your notes on paper as usual.
