

Delock Cable Clamp for DIN Rail

Description

This cable clamp by Delock is suitable for mounting on a 35 mm DIN rail.

Optimal cable management

Different cables, wires and hoses can be fixed to the rail with cable ties or hook-and-loop fasteners to enable neat and orderly cable management. It also provides excellent strain relief for the cables.

Safe support on the DIN rail

The cables remain in their original position even in the effect of vibrations and cannot slip or fall out.

Multifunctional application

The cable clamp is ideal for use in electrical devices, machines and switch cabinets.

Item no. 65969

EAN: 4043619659692

Country of origin: China

Package: Zip poly bag

Specification

- DIN rail mounting: 35 mm
- Tidy routing of cables and wires
- Excellent strain relief with cable ties
- 6 cable routings
- For cable diameter up to 9 mm
- Material: metal
- Dimensions (LxWxH): ca. 122 x 51 x 5 mm

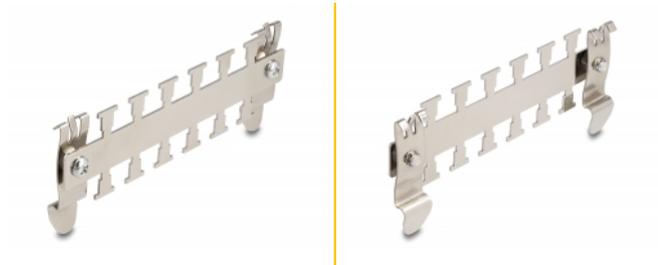

System requirements

- 35 mm DIN rail

Package content

- Cable clamp
