

Delock 10" Cable Management Brush Strip with Cable Support Plate 1U grey

Description

This brush strip by Delock is suitable for installation in a 10" network cabinet.

Proper laying of cables

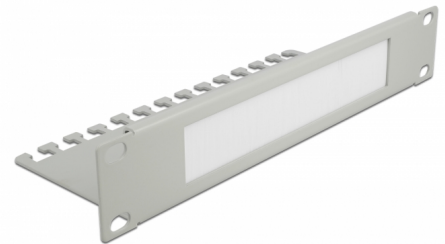

The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

Cable storage for optimal cable management

The cable support plate on the back of the brush strip allows cables to be fixed in place to prevent the exposed cables from sliding back into the network cabinet.

Protection against foreign particles

The included nylon brushes prevent ingress of dust and dirt.

Item no. 66537

EAN: 4043619665372

Country of origin: China

Package: Box

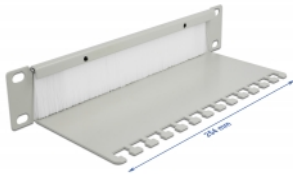

Specification

- For mounting in 10" network cabinet, 1U
