# Delock 19" D-Type Patch Panel 12 port tool free black

Description

This patch panel by Delock can be mounted in a 19" rack. With its standardized dimensions, it is suitable for easy mounting of 12 D-type modules.

Installation without tools

The special feature of this patch panel is that no tools are required for installation in a network cabinet. The integrated mounting clips can simply be pushed outwards to lock the panel in place.
