Delock Cable Samsung 30 pin male > USB-A female OTG coiled cable

Descrizione

This cable by Delock can be plugged to the 30 pin female port of your Samsung tablet, with OTG function, and connect e.g. HDDs, memory sticks etc. with standard USB interface. The OTG function enables a direct data transfer between your mobile device and the USB device, without connection to a computer. Furthermore this cable supports the usage of a mouse or keyboard, in order to operate your mobile device. Due to the coiled cable it can be stored easily and does not take too much space compared to common cables.
