Delock Cable MHL 3.0 male > High Speed HDMI-A male 4K 2 m

Description

The MHL cable by Delock enables you to replay multimedia content from a MHL-enabled smartphone or tablet PC on a big display or TV with MHL support. The cable complies to the MHL 3.0 specification and supports screen resolutions up to Ultra HD (4K) and 7.1 Surround Sound. The extended RCP function allows the easy and useful control of your mobile devices by means of the TV remote control or another peripheral device, such as a touch screen, keyboard or mouse. Your mobile device is being charged during usage, thus an additional power supply is not required.

ca. 2 m

Item no. 83649

EAN: 4043619836499

Country of origin: China

Package: Zip poly bag
