

Delock Power Cable 3 pin male > 3 pin female (fan) 8 cm – Reduction of rotation speed

Leírás

This power cable by Delock can be used as extension for connection of a fan. The integrated resistor enables you to run e.g. a fan with 7 V instead of 12 V. This leads to a calmer operating noise, which contributes to a reduction of the total noise inside the enclosure.

8 cm

Tételszám 83656

EAN: 4043619836567

Származási hely: China

Csomag: Zárható
műanyag tasak

Különleges jellemzők

- - Integrated resistor for reduction of fan speed

Műszaki adatok

- Connector: 3 male > 3 pin female
- Integrated resistor ca. 56 Ohm
- Length: ca. 8 cm (incl. connector)

Rendszerkövetelmények

- Mainboard with a free 3 pin port

A csomag tartalma

- Cable
