

# Delock Magnetic USB Charging Cable Set for 8 Pin / Micro USB / USB Type-C™ anthracite 1.1 m

## Description

This USB charging cable by Delock stands out due to its magnet technology and enables an easy and quick connecting and disconnecting between a device and the power source. By using one of the three included magnet adapter different mobile devices, tablets etc. can be charged either via 8 pin, Micro USB-B or USB Type-C™ interface. The adapters are designed to remain inside the port of the device. Thus it can avoid the deterioration of the interface and also act as dust protection. The USB charging cable can immediately connect to the device with its round magnetic connector. The cable is due to the robust textile shielding and metal housing on both cable ends, very sturdy and durable.

**Item no. 84948**

EAN: 4043619849482

Country of origin: China

Package: Retail Box

## Specification

- Connectors:  
Cable: USB 2.0 Type-A male > magnet connector  
Adapters: magnet interface > 8 pin Lightning™ male  
magnet interface > USB Type Micro-B male  
magnet interface > USB Type-C™ male
- Supports only charging function
- Maximum output current: 2.4 A
- Voltage: 5 V
- Blue LED indication during charging process
- 360° rotatable
- Cable gauge:  
24 AWG power line
- Copper conductor
- Cable with textile shielding

- Connector with metal housing
- Colour: anthracite
- Length without connectors: ca. 1.1 m

---

## System requirements

- Power source with a free USB Type-A female port

---

## Package content

- Magnetic USB charging cable
- 3 x magnetic adapters

---
