Delock Stereo Jack Cable 3.5 mm 3 pin male > male angled 2 m white

Description

This stereo jack cable by Delock enables the connection of different devices with stereo jack female interface e.g. a mobile device to a stereo system or car radio. One of the stereo jack connectors is angled, in case the existing stereo jack female port is difficult to access. Due to the additional gold ring at the end of the connector, this audio cable can easily be connected to devices, which are protected by a cover.
