

# Delock USB 2.0 2 in 1 Retractable Cable Type-A to Micro-B and USB-C™ white / silver

## Description

This practical retractable cable by Delock can be connected to a PC or laptop with USB-A port and can be used to transfer data and charge the connected device.

### Useful companion

Due to its small size, the cable is a practical companion on the go and always at hand. A knotting of the cables is avoided by its winding mechanism.

### Flexible

The cable can be pulled out in five stages and thus offers different cable lengths, depending on requirements.
