

Delock Keystone Module USB 2.0 A female 250° > USB 2.0 A female with cable white

Description

This module by Delock can be used to extend e.g. a USB cable. With its standardised dimensions it can be used for easy snap-in mounting in e.g. a Keystone patch panel, face plate or surface-mount box. The short, angled cable has a small mounting depth and allows a space-saving installation in hard to reach places in equipment or in cable ducts.

30 cm

Item no. 86329

EAN: 4043619863297

Country of origin: China

Package: Zip poly bag
