Delock Audio Cable 8 pin Lightning™ male to Stereo jack male 3.5 mm 3 pin 0.5 m

Description

This audio cable by Delock can be used to connect an iPhone or iPad, which provides only the 8 pin Lightning™ interface, to different audio devices with a stereo jack socket. It is suitable for connecting a mobile device to e.g. external speakers, car radio or headset.

Quality and performance

The cable is very sturdy and durable due to its robust textile shielding, strong strain relief and metal housing at all cable ends.

MFi Certified

The MFi certification and the original Apple C101 connector guarantee full compatibility to all devices with Lightning™ connector.

Item no. 86586

EAN: 4043619865864
