

Delock Cable Gland 6.4 mm with strain relief and bending protection, dust and waterproof housing (IP67) made of aluminium

Description

This cable gland by Delock allows a dust and waterproof seal to the housing for the lead-through of cables and electrical tubes.

Additional protection through strain relief

The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machinery. The cable remains in their original position even during vibrations and they cannot fall out.

IP67 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

Item no. 87823

EAN: 4043619878239

Country of origin: China

Package: Zip poly bag

Specification

- Protection class: IP67
- Panel cut-out (diameter): ca. 16.7 mm
- Cable diameter: ca. 6.4 mm
- Thread type: M20*1mm
- Dimensions (Ø x L): ca. 22.8 x 55.3 mm
- Material: aluminium
- Colour: green / silver

Package content

- Cable gland
