

Delock Cable Clips for Angling 8 pieces black

Description

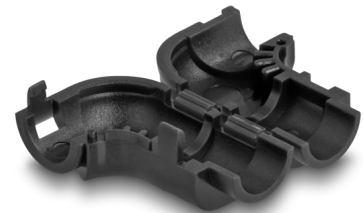

This cable clip by Delock is a practical plastic accessory that makes it possible to bend cables by 90° without kinking or damaging them. The clip allows cables to be neatly and tidily routed behind furniture, on walls or in corners, improving appearance and clarity.

Reusable

A cable up to 6 mm in diameter can be inserted into the clip and then closed. Multiple opening and closing are possible, making the clip reusable.

Different colours

The clip is available in different colours, which makes it easy to adapt to different cables or to colour code them.
