Delock USB RGB Charging Cable 3 in 1 Type-A to Lightning™ / Micro USB / USB Type-C™ 1.20 m
Description

This 3 in 1 charging cable by Delock can be used for charging of different devices e.g. tablets or smartphones with Lightning™, Micro USB-B or USB Type-C™ interface through a USB power source.

Useful companion

This cable is the ideal companion for on the go e.g. on business trips or on holidays, since it combines the three most common interfaces in one cable for the latest mobile devices. This avoids annoying cable clutter and unnecessary carrying around of countless cables.

RGB illumination

As soon as the cable is connected to a power source, the cable lights up in red and then changes to a soft colour gradient with seven different colours. The lighting is always discreet and inconspicuous.

1,2 m

Item no. 88158

EAN: 4043619881581

Country of origin: China

Package: Zip poly bag

Specification

- Connectors:
  1 x USB 2.0 Type-A male
  1 x 8 pin Apple Lightning™ male
  1 x USB Type Micro-B male
