

Delock 3.5" Mutlipanel eSATAp/USB 2.0/FireWire/HD-Audio

Descriere scurta

This Multipanel by Delock can be installed into a 3.5" bay of your PC and expands your system by one eSATAp, one FireWire and two USB ports. Thus you can connect external devices like enclosure, adapter, headsets etc. The connected cables on the Multipanel help to lead out the internal ports from the mainboard.
