DELOCK®
we move the world

Delock 2.5″ Drive IDE > 1 x Compact Flash Card + 1 x Secure Digital Card

Description

This internal Delock 2.5″ Compact Flash to IDE drive enables you to connect a SD and a CF card, which can be used as a 2.5″ hard disk. The memory cards work like an additional storage space, as well as like HDD and can be used e.g. for installing an operating system from which you can also boot. The power will be supplied from the IDE port (44 pin).
